## Theme from Mahogany

"THEME FROM MAHOGANY (Do you know where you're going to)" words by Gerry Goffin, music by Michael Masser

*Chorus*

Do you know where you're going to  
Do you like the things that life is showing you  
Where are you going to  
Do you know

Do you get what you're hoping for  
When you look behind you there's no open doors  
What are you hoping for  
Do you know

Once we were standing still in time  
Chasing the fantasies that filled our minds  
You knew how I loved you but my spirit was free  
Laughing at the questions that you once asked of me

*Chorus*

Now looking back at all we've had  
We let so many dreams just slip through our hands  
Why must we wait so long before we see  
How sad the answers to those questions can be

*Chorus*

Do you get what you're hoping for  
When you look behind you there's no open doors  
What are you hoping for  
Do you know

## Alma Mater

Oh, Woodbridge Alma Mater,  
Thy praises let us sing,  
Through the three long years of high school  
May we honor to thee bring.  
In football and in baseball,  
In basketball and track,  
May we always prove most loyal  
to our dear old Red and Black.  
And when our course is over,  
And we leave our school for aye,  
May our mem'ries often lead us,  
Back to Woodbridge High School days,  
Where we spent such happy hours  
In work and pleasure gay,  
So let us turn to help her,  
Wher'er and when we may.

## Nineteen Seventy Seven - Our Year

Our Sophomore year began with feelings of excitement and fear, for we didn't know where we were going to. Each time we tried to get to a class, all we heard was "Take the elevator down that hall." Within days, however, the whole building became a familiar home, and we felt at peace. This feeling soon turned into a thrill we never before experienced as the basketball team became State Champions. If only our class could make such an accomplishment! Quickly enough, though, our year as neophytes concluded and we had an idea of where we were headed.

With the beginning of our Junior year, we drove along the road to where we were going with confidence in future success. In October, we received our class rings and proceeded to sell the renown Junior Class Candy. Will we ever want to see chocolates and mints again? The Marching Barons started out in the right direction and knew where they were going when they completed an undefeated season taking the first place trophies in competitions and parades. After our Cotillion, "Nights in White Satin," we realized where we wanted to go as the night dawned into a new day.

All too soon, the year which was our destination was upon us. As upperclassmen, we were sure that no one knew a better way to go than our class. That accomplishment which we had striven for was nearly attained when the football team became State Championship Finalists. At the Senior Masquerade, "Funeral for a Friend," we didn't know which way to go because of the tricks and treats we would have found. Senior Charity Week was the best ever as we turned to help needy families of our community. With January upon us, we found ourselves in an enchanting "Winter Wonderland." And as winter turned to spring our thoughts centered on the upcoming Senior Play.

Who could forget that final, sentimental night of the prom at the Westmont Country Club — our last gathering as a class at Woodbridge. Suddenly graduation arrived. It gave plenty of forewarning, but nonetheless, it was still unexpected. We must say goodbye to the dances, the clubs, and get to where we're going to; even if it means college, the working world and getting out and standing on our own two feet. So the time has come for ties to be broken, for friendships to end. We will always treasure and remember our friendships, hardships and accomplishments in High School, but we must look forward to a new path of life, a road that will take us to where we're going to.

# Soccer

This year the Barron Soccer Team is said to be the best, posting a 9-6-4 season, the best in 15 years. It was the first team ever making it to the second round of the State Tournament. Captains T.J. Kostecky and John Chirico added to the victories with five assists apiece, while John Beck was high with six. High scorer went to Dave Hohn with 10 goals, while John Chirico was next in line with five. The nine victories could not have been made without the assistance of goalie Dave Policastro and Joe Sheehan, who gave up only thirteen goals per game, and the exquisite display of defensive play by John Mansfield, Gary Poos, Russell Watson, Bob Blake, and Steve Xenakis.

The 1976 Girls' Varsity Tennis Team switched its practicing season from spring to fall, causing a change in weather conditions, resulting in matches in cold darkness. However, with the help of Mrs. Daniel, the team pulled through a tough season with the help of junior Ellen Zambo, and seniors Kim Terebush, Loretta Serak, and Liz Black.

## 76-77 Barrons-Group IV Finalists

### 76-77 Barrons — Group IV Finalists

The Barron Football Season was one of outstanding success. The team holds the school record for the most wins, tied for the most shutouts and for the first time Woodbridge participated in the State playoffs. Besides having a potent offense led by a fine backfield and offense line, the secondary holds the school record for the most pass interceptions. Inevitably past and future Barron football teams will be compared to the 1976 squad for years to come.

# WRESTLING

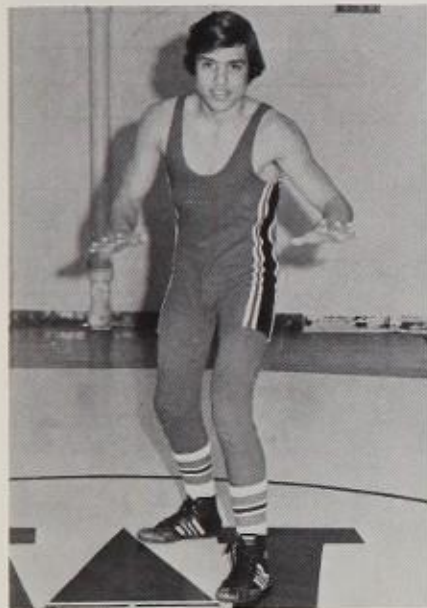

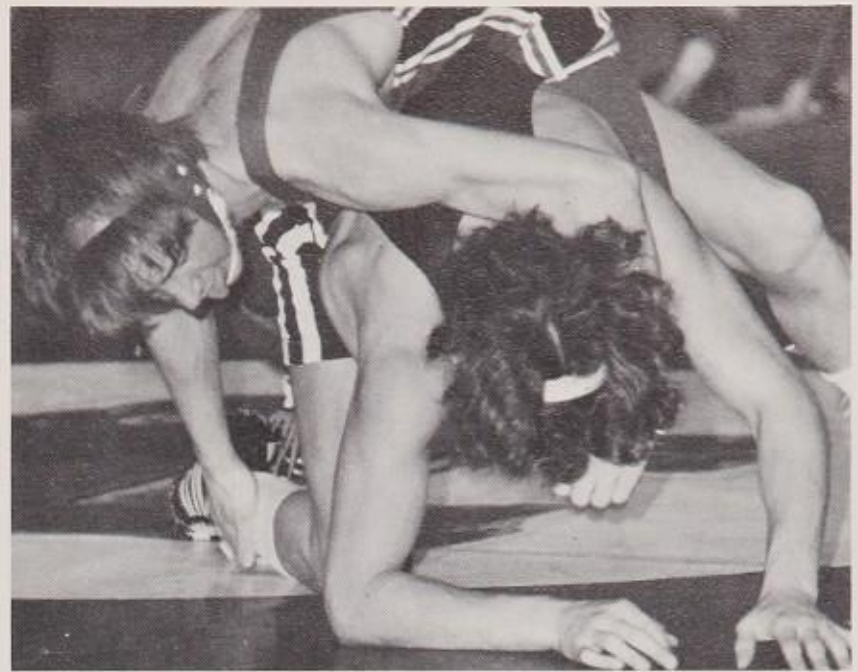

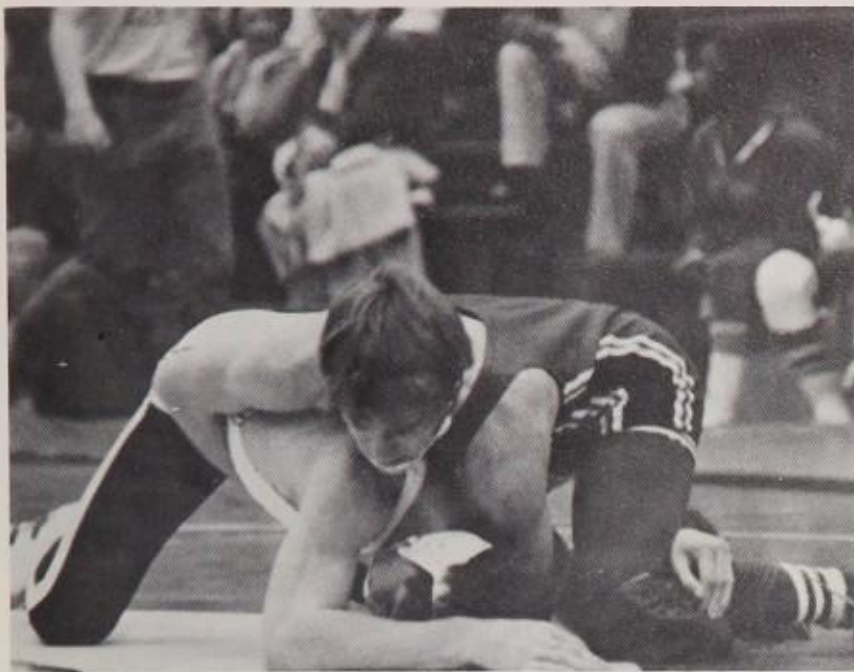

Henry Lubas

This year's Barron wrestling squad compiled a mediocre 4-9 record. The team was led by seniors Don Smith, Henry Lubas, Mark Torchia, Dave Swanik, and John Malyar. Highlights of the season included district championships by Steve Leudiking and Don Smith. With many wrestlers returning next year, the future is looking bright for next year's grapplers.

The Woodbridge High School Basketball team had an excellent season in the 1976-77 campaign, compiling a 21-5 record. Highlights of the season were the winning of the Conference and Township Championships. The Barrons achieved their winning ways by playing excellent defense and molding their offense into a five man machine. The Barrons always had balanced scoring and no one player dominated the scoring statistics. The starting five for the barrons played well together but one of the strong points for the team was their excellent bench strength which won many games for them. In summing up the 1976-77 basketball season we have to remember the sixth man on court at all times, our enthusiastic crowd who always gave the Barrons fantastic support and infinite inspiration whether we were behind or ahead; they were the greatest!

The '76-'77 Girls' Varsity Basketball Team had a successful season. Their 15-10 season was highlighted by a Christmas Tournament Championship. The Barrons were led by captains Kathy Hunt, who ran the offense, and Kim Terebush, who controlled the boards for the Barrons. Senior Bonnie Denion also was a key to the team's success, providing the squad with additional offense power. The overall scoring leader was sophomore Donna Koperwhats.

## Theme from Mahogany

"THEME FROM MAHOGANY (Do you know where you're going to)" words by Gerry Goffin, music by Michael Masser

*Chorus*

Do you know where you're going to  
Do you like the things that life is showing you  
Where are you going to  
Do you know

Do you get what you're hoping for  
When you look behind you there's no open doors  
What are you hoping for  
Do you know

Once we were standing still in time  
Chasing the fantasies that filled our minds  
You knew how I loved you but my spirit was free  
Laughing at the questions that you once asked of me

*Chorus*

Now looking back at all we've had  
We let so many dreams just slip through our hands  
Why must we wait so long before we see  
How sad the answers to those questions can be

*Chorus*

Do you get what you're hoping for  
When you look behind you there's no open doors  
What are you hoping for  
Do you know
